Northamptonshire Fire and Rescue Service

The table below shows our monthly performance for May 2024 compared to the previous two years.

Category	2022	2023	2024	
Fires	181	195	139	
Primary fires	75	78	72	
Secondary fires	103	113	67	
Accidental dwelling fires	24	27	20	
Road Traffic Collisions	36	43	45	
False alarms	154	178	161	

- Primary fires are more serious fires that harm people or cause damage to property
- Secondary fires are smaller outdoor fires where people or property is not involved
- Accidental dwelling fires are fires where the motive for the fire was presumed to be either accidental or not known and occur in properties that are a place of residence i.e. places occupied by households such as houses and flats, excluding hotels/hostels and residential institutions. Dwellings also includes nonpermanent structures used solely as a dwelling, such as houseboats and caravans.
- Road Traffic Collisions are car accidents or car crash, which occurs when a vehicle collides with another vehicle, pedestrian, animal, road debris, or other stationary obstruction, such as a tree, pole or building
- False alarms are incidents where the Fire and Rescue Service attends a location believing there to be an incident, but on arrival, discovers that no such incident exists or existed .
